Here are some questions to think more deeply about the passage from the sermon for yourself or in small groups this week...

1. If you didn't finish this table last week have another go at it to see the 4 stories together:

Story	Levels of Impossibility?	Amount of faith?	Fear levels before?!	Fear levels after?!
Storm (4:35-41)				
Legion (5:1-20)				
Woman (5:34-34)				
Jairus Daughter (5:21-23, 35-43)				

- Look for the details recorded by Mark that show the amazing power of Jesus over man's greatest enemies?
- How do these stories picture the salvation that Jesus brings? How do they convince you that Jesus is the Christ, the Son of God (Mark 1:1)?
- How do you feel about the prospect of Jesus not answering your prayers how you want? How could that involve the 3x D's we see in this passage?
- How will this passage affect a) your disappointments, b) your evangelism, c) your hopes?
