## Big Bible Words

A new year, and a new term of CCHY! It was great to meet in person at Steff and Sarah's house last term. This term (God-willing!) we'll be meeting there, out of the cold, with new games, old friends and God's never-changing word.

We're going to look this term at six "Big Bible words", words which come up a lot in the Bible, and which can sometimes be difficult to understand. We hope that as we look at these words together, we'll be able to understand our Bibles better, find it easier to read God's word for ourselves, and love Jesus more!

All young people aged 12-18 are welcome, whatever you believe.
