## Section A: Safeguarding Statement

Christ Church Huntingdon (CCH) is committed to creating a healthy church environment. We want everyone who comes into contact with us to feel safe, valued, and cared for. We believe that each person is made in the image of God, and as a result have an inherent dignity and worth.

We also recognise that we live in a sinful world, where human beings rebel against God and his ways for us, and harm one another in innumerable ways. We believe that the human heart is wicked and deceitful and that we are all capable of falling into sin.

We believe in the good news that God offers us forgiveness and new life if we will receive Jesus Christ as our Saviour and Lord. We believe that when we submit to God and allow him to work in us by his Holy Spirit, we will grow in our faith and gradually become more like Jesus. Our greatest purpose and joy is to be in relationship with God, and to know his transforming work within us, giving us the power to change and become more Christlike; living lives that glorify God.

The church is a place where the love of God for each person is displayed and where we live, learn, and grow together in our faith. This involves supporting, encouraging, and even challenging and rebuking one another when we sin; all for the glory of God and for our individual and mutual good. We believe that God sees everything and that he knows even our secret and hidden sins and that one day each of us will stand before him as our judge.

As we journey and grow together in this life of faith, we recognise that we are not perfect and that at various times we will all have to both offer and seek forgiveness. We do, however recognise that within our church there is the opportunity for individuals or groups to harm, abuse, or exploit others. We as a church stand against any misuse of power, abuse, harassment exploitation or other forms of harm. We all have a responsibility to care for and protect each member of our church community, but particularly those who are weaker or more vulnerable.

To support this, we have implemented policies, procedures, codes of conduct and systems that support the positive culture that we seek to create by ensuring that those responsible for leading safeguarding in the church are competent and that our safeguarding arrangements are effective.

We actively seek to encourage a culture where concerns about the way that individuals or groups have been treated, or about anything that we do as a church, can be raised openly. When concerns are raised, we commit to examining them carefully and impartially, establishing truth and upholding justice for all involved. We strive to reflect, learn, and grow as we consider such concerns; particularly where we fail to meet the standards that we have set for ourselves. Any concerns can be raised with one of the Elders or with one of our Safeguarding Leads. The latter's details are listed on the safeguarding posters on the notice boards. Our safeguarding policy and procedures are available on our website.

As a church we are committed to safeguarding everyone who participates in church life, regarding care for the vulnerable as a biblical imperative and not just as a legal requirement. We work with local and national partners, doing all we can to keep everyone safe. We will strive to fulfil all our legal duties to protect both children and Adults at Risk of Abuse, but we aim to go above and beyond and to discharge our safeguarding duties in a way that is biblically faithful and pleasing to our loving heavenly father, who calls us to act with justice, love kindness and to walk humbly before him.

## Section B: Church Context

Christ Church Huntingdon is part of the Anglican Mission in England (AMiE). We are a charity registered with the Charity Commission of England and Wales (Charity number: 1179744).

The church stands in a broad protestant and theologically evangelical tradition. We believe that the Bible (Old and New Testaments) is inspired by God and is our final authority in all matters of faith and conduct.

We believe, in line with historically protestant / reformed theology that we are sinners before a Holy God and that we are saved “by grace alone, through faith alone, in Christ alone”.

We seek to be obedient to the command of Jesus, to go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that he commanded us (Matthew 28:19-20). As such, we believe that the church’s mission involves:

- Evangelism: making Jesus known to those who are not yet in relationship with him, making the offer of forgiveness and deliverance from God’s righteous judgement, through the death and resurrection of Jesus as our saviour.
- Discipleship: encouraging Jesus’ followers to live lives of increasing obedience to all that he has commanded us, growing in love for him, devotion to him, and being transformed incrementally to greater Christlikeness.
- Public worship: rising from our gratitude to, and love for God for his mighty work in our lives.

Jesus told us that the mark of believers, and the way that the world will know that we are his disciples is by the quality of our love for one-another (John 13:35). Jesus also commanded us to love our enemies, praying for those who persecute us (Matthew 5:44) and that we should treat others as we ourselves want to be treated (Matthew 7:12).

A summary of our beliefs can be found on the "what we believe" page of our website. At the bottom of this page is a link to our doctrinal basis.

The church has a membership of those who have committed to be members and is also attended by congregants who are not members. The church members elect Council members, who serve the congregation in the church’s mission. The Council members are the Trustees of the church. The Trustees appoint Elders, who lead the church and exercise spiritual authority. The Church Council includes the Elders. In their role as Trustees, there is no distinction between the Elders and other Council members.

The church fulfils its mission through a range of activities, including Sunday worship and teaching services (including groups for children), mid-week Bible study and prayer meetings, prayer partnerships, accountability relationships and a range of other activities, some of which are social or outreach events.

# Section C: Safeguarding Policy

## Purpose

This policy outlines our moral and legal responsibilities and sets out our commitments in light of those responsibilities. It aims to establish a framework and appropriate standards that apply to the whole church and to support the trustees in their responsibilities to safeguard everyone who engages with our church community, with a specific focus on those who have particular vulnerabilities.

## Scope

The requirements of this policy apply to everyone who acts for Christ Church Huntingdon, whether staff or volunteers. It applies to all the official activities of the church.

## Our responsibilities and commitments

### 1 General duty of care.

We recognise that we have a general duty of care to everyone who is involved in the life of our church.

We therefore commit to:

- 1.a Ensuring that we identify and manage risk appropriately through our policies and procedures, our risk register and our risk assessments.
- 1.b Developing, monitoring, and maintaining a church culture that is healthy and nurturing across all areas of church life. This includes promoting the spiritual, physical, emotional, psychological, and social wellbeing of those who engage with us.

### 2 Those who are vulnerable.

We recognise that we have a particular responsibility to those who are more vulnerable including children and young people (i.e. those who are under 18 years of age), adults with care and support needs, and adults at risk of abuse / in need of protection (as defined in the 2014 Care Act). This is a responsibility under God who commands us to protect and care for the weak and vulnerable. We therefore commit to:

- a Establish proportionate safeguarding arrangements.
- b Develop a culture that is protective and healthy.
- c Ensure that our approach to safeguarding is shaped by our biblical values and that it is fully legally compliant and in line with safeguarding best practice.

### 3 Dignity and respect.

The Bible teaches us that all human beings, including unborn children, are made in God's image and therefore have an intrinsic value to him. We therefore commit to:

- a Treat everyone who engages with us as loved by God and precious in his sight.
- b To treat everyone as equal in God's sight, showing neither fear nor favour.

## 4 Sin and the fall.

The Bible teaches us that since Adam and Eve fell into sin, consequently human beings have a sinful nature. While the good news of forgiveness of sin and eternal life with God are at the heart of the gospel message, in this life, even Christians continue to sin, and as such we recognise the need to be vigilant and to oppose all forms of neglect, abuse, exploitation or other injustice in our midst. We therefore commit to:

- a Establishing clear expectations and standards for all who act on our behalf.
- b Establishing clear processes for handling abuse that is discovered or disclosed; whether that abuse has occurred in the church or elsewhere.
- c Ensuring that we have clear processes for handling allegations.
- d Promoting across the whole church community, the importance of caring well for everyone who engages with us through the various activities.

## 5 Governance and leadership.

Effective servant-hearted leadership that focuses on authenticity, integrity and effectiveness are key priorities for CCH biblically. We also recognise our responsibilities under charity law and Charity Commission guidance. We therefore commit to:

- a Modelling biblically grounded servant hearted leadership.
- b Ensuring that we have a Trustee on our Council who will champion safeguarding on behalf of the trustees, who share the final legal responsibility for safeguarding. This may be the Designated Safeguarding Lead (DSL) but in their absence another Trustee will be appointed.
- c Ensuring that we appoint a competent DSL (who may be the same as the safeguarding trustee) and at least one deputy to perform specific delegated tasks.
- d Visibly demonstrating our commitment to safeguarding throughout the church.
- e Providing support, oversight and accountability to everyone who works (whether paid or voluntarily) on our behalf; including providing accountability and challenge to each other as leaders.
- f Monitoring the effectiveness of the arrangements that we have implemented.
- g Creating an environment of ongoing reflection, learning and improvement.
- h Ensuring that delegated, safeguarding roles and responsibilities are clearly defined, and that appropriate accountability and support are provided to those fulfilling the roles.

## 6 Safeguarding arrangements.

We recognise that we have a responsibility to the state to ensure that we have compliant and effective safeguarding arrangements in place. We therefore commit to:

- a Appointing a suitably trained, competent and experienced safeguarding lead (DSL) and at least one deputy and that we will support them in their role.
- b Maintain a compliant safeguarding policy, procedures, and systems to ensure that we fully meet legal standards and ensure that they are regularly reviewed.
- c Ensure that relevant safeguarding information, including our safeguarding policy documents and contact details for our safeguarding leads is publicly available.

- d Ensuring that a healthy culture is supported by listening to expressions of dissatisfaction (complaints, allegations, whistleblowing etc.) and that such expressions are encouraged, taken seriously, and responded to positively.
- e Ensuring that we keep records of safeguarding concerns in line with safeguarding expectations and that we share information appropriately as required.

## **7 Suitability and competence of staff and volunteers.**

We recognise that we have a responsibility to ensure that those who act on our behalf are competent in and suitable for the roles that they take. We therefore commit to:

- a Implementing proportionate safe recruitment processes.
- b Ensuring that our leaders are competent, fulfilling their responsibilities and leading the church with humility, clarity, and biblical faithfulness.
- c Ensuring that our staff and volunteers are supported and that we provide appropriate guidance, oversight, and accountability.
- d Providing appropriate training and skills development as required.
- e Ensuring that as a church we are alert to the risks within society, including risks associated with grooming, online abuse, radicalisation, gender-based violence, exploitation, domestic abuse etc. and report appropriately as required.

## **8 Healthy culture.**

We recognise that we have a responsibility to encourage a healthy environment that is transparent, accountable, and biblically faithful. We therefore commit to:

- a Developing a ministry context that reflects biblical principles; encouraging growth in obedience to God and his word with equity, transparency, and sensitivity, in accordance with our fundamental beliefs as laid out in our statement of faith, charitable aims, and governing documents.
- b Value, respect and listen to the wishes and views of every member of our community, including children and young people, and others who are vulnerable or find it difficult to make their voice heard.
- c Developing a culture that challenges any form of bullying, harassment, abuse, exploitation, or any other harmful contact; both in the online and the physical environments.
- d Ensuring that we set clear standards and expectations of those who participate in our church community and that we challenge and address failure to live up to those standards.

## **9 Partnership working**

We will ensure that we work appropriately with statutory and other services; sharing information in accordance with legal requirements and involving parents, children and young people and adults with support needs or in need of protection in the decisions that affect them as far as they are able.

## 10 Supporting those who have experienced abuse or other trauma.

When working with those who have experienced abuse or trauma, we will seek to do so with sensitivity and keeping them at the centre of the work we do. We will seek to give them a voice and allow them to progress at their own pace while recognising the limits of our own competence and signposting to specialist support where required.

## Section D: Safeguarding Procedures

### i.1 Governance and oversight

The Trustees will provide effective oversight of safeguarding across the church by:

- 1.a Ensuring that they appoint from amongst their number a nominated Safeguarding Trustee who will act on their behalf to provide strategic leadership and guidance on matters related to safeguarding including compliance. This may be the DSL.
- 1.b Ensuring that the church leadership promote the importance of safeguarding and lead the development of a culture that is biblically faithful, healthy, transparent, and accountable and that safeguarding is appropriately prioritised, and its profile maintained.
- 1.c Ensuring that a suitably knowledgeable and appropriately trained and skilled Designated Safeguarding Lead (DSL) and a deputy are appointed and that they are adequately supported and resourced.
- 1.d Ensuring that a proportionate and legally compliant safeguarding policy is implemented and that it is reviewed by the trustees with input and support from the DSL and Deputy DSL at least annually.
- 1.e Ensuring that clearly defined safeguarding procedures and systems are in place, that they are understood and implemented by all staff, volunteers, and anyone else who acts on our behalf.
- 1.f Ensuring that the DSL provides a verbal update to all trustee meetings (which will be conveyed by the safeguarding trustee) and that an annual written report is provided to the trustees by the Safeguarding Trustee, the DSL, and Deputy DSL.
- 1.g Ensuring that the effectiveness of the safeguarding arrangements is monitored on an ongoing basis and reviewed annually in line with the review of the policy and procedures.
- 1.h Ensuring that safeguarding roles and responsibilities are clearly defined ([see appendix 1](#)), and that appropriate accountability is provided.
- 1.i Ensuring that a clear statement in relation to safeguarding is included in the annual Charity Commission submission.
- 1.j That any “Serious Incidents” (as defined in the Charity Commission Guidance - <https://www.gov.uk/guidance/how-to-report-a-serious-incident-in-your-charity>) are reported accurately and in a timely manner.

### i.2 Recruitment and ongoing support of staff and volunteers

The recruitment / appointment and support of staff and volunteers is of critical importance to Christ Church Huntingdon and to our work and ministry. To fulfil our legal duties and to ensure we meet the still higher standards dictated by scripture, safe recruitment processes will be applied to all employees and all volunteers who have unsupervised access to children, young people and vulnerable adults.

### i.3 Management of recruitment processes

- 1.a At least one person who is involved in the process of recruitment of staff or appointment of volunteers who have unsupervised access to children, young people and vulnerable adults will be trained in Safe Recruitment.
- 1.b Staff and volunteers who have unsupervised access to children, young people and vulnerable adults will be provided with written Job / role descriptions and person specifications prior to deciding whether to take up the position / role.

- 1.c Roles that involve regulated activity and which consequently are subject to a Disclosure and Barring Service (DBS) check will be clearly identified as exempt from the Rehabilitation of Offenders Act.
- 1.d Appropriate records will be kept of all recruitment processes and decisions relating to staff and to volunteers who have unsupervised access to children, young people and vulnerable adults.
- 1.e A “Single Central Record” of recruitment checks and a training log will be maintained by the DSL and / or their deputy. The DSL is ultimately responsible for the Single Central Record.

## i.4 Recruitment process

- 1.a Prior to appointment, all staff and all volunteers who have unsupervised access to children, young people and vulnerable adults will be required to submit an application form, ([see appendix 4a](#)) which includes a self-declaration of fitness and suitability for the role. Where necessary and appropriate (e.g., lack of literacy skills, English as a second language etc) support can be provided for completion of the forms.

### Paid staff positions.

*Note: the appointment of staff is the responsibility of the trustees, who may delegate the lead responsibility for any given appointment to one of more of their number.*

- 1.b Prior to appointment all paid staff will be required to attend a formal interview, regardless of whether a competitive process is in operation.
- 1.c Prior to appointment of staff, references will be sought including, where possible, a reference from the current or previous employer.
- 1.d Upon commencement of their position, all staff will be required to complete a formal induction process as outlined in their role description and including any matters identified during the recruitment process. They will also be given a named person to whom they report.
- 1.e Upon commencement staff who work with children or vulnerable adults will be provided with a copy of this policy and be expected to read it and complete safeguarding training within six months of their appointment (training to be arranged by the DSL / deputy).
- 1.f The Single Central Record, training Log and Personnel file will be updated as appropriate throughout the process.

### Volunteer positions.

*Note: the appointment of volunteers for working with children and vulnerable adults is the responsibility of the trustees. It will normally be carried out by the staff and DSL/deputy. The appointment of volunteers to other practical roles will normally be made by the staff team or delegated to one of the team leaders or trustees.*

- 1.g Prior to appointment, where appropriate, volunteers will be required to attend a discussion to ensure their suitability and clarity of understanding of the role and its requirements. This will always apply to volunteers who have unsupervised access to children, young people and vulnerable adults.
- 1.h Prior to appointment to a role involving working with children, young people or vulnerable adults, references will be sought. Where an appropriate reference was obtained at the time of application for another role, this may be used, and internal references are acceptable.
- 1.i Following appointment, where appropriate, volunteers will be required to complete an induction. This will always apply to volunteers who have unsupervised access to children, young people and vulnerable adults.

- 1.j Upon commencement of a role involving working with children or vulnerable adults, volunteers will be provided with a copy of this policy and be expected to read it and complete safeguarding training within 6 months of their appointment (training to be arranged by the DSL / deputy).
- 1.k The Single Central Record, training Log and Personal File will be updated as appropriate throughout the process.
- 1.l Under exceptional circumstances and where it is necessary for the person to commence prior to the completion of recruitment processes, the person will not be permitted to have unsupervised access to children and must be supervised by someone who is DBS checked.

## i.5 DBS Checks

- a Following appointment and prior to commencement of the role, staff and volunteers involved in regulated activity will be required to complete a DBS check.
- b Under normal circumstances, the individual will not commence their role until the result of the DBS check has been received.
- c Under exceptional circumstances and where it is necessary for the person to commence prior to receipt of the DBS check result, the person will not be permitted to have unsupervised access to children and must be supervised by someone who is DBS checked.
- d Once formal notification of a clear DBS check has been received, the Single Central Record will be updated with the relevant information.
- e DBS checks need to be refreshed at least every three years.

## i.6 Blemished DBS Checks

- 6.a The applicant will be asked to present the DBS certificate to the Lead Recruiter (the DSL).
- 6.b The applicant may, if they wish to, withdraw their application.
- 6.c If the application is withdrawn, consideration will be given to whether this required the triggering of the procedure for the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” ([see section D13](#)).
- 6.d If the applicant self-declared the blemish and it has been discussed previously, the recruiter will check to ensure that the detail provided in the self-disclosure is consistent with the information on the DBS certificate.
- 6.e If the applicant did not self-disclose, an open conversation about the circumstances of the blemish will be discussed with the applicant.
- 6.f Whether the discussion arises from self-disclosure or examination of the certificate, a formal assessment will be conducted to ascertain the applicant’s suitability for the role by the DSL and / or the Safeguarding Trustee, and the outcome will be recorded in the personal file.
- 6.g Advice can be sought from Christian Safeguarding Services if required.
- 6.h The applicant will be given every opportunity to provide input to the assessment and the outcome will be explained to them.
- 6.i A blemished DBS check does not necessarily prevent the individual from engaging in regulated activity. The risk assessment may conclude:
  - i.i That the individual is unsuitable for the role.
  - i.ii That further investigation is required.
  - i.iii That the person is suitable for the role with restrictions.
  - i.iv That the blemish does not indicate unsuitability.
- 6.j If the risk assessment concludes that the individual is unsuitable for the role, consideration will be given to:

- j.i Whether there are other roles for which the individual would be suitable.
  - j.ii Whether the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” ([see section D13 of this policy](#)) process needs to be triggered.
- 6.k Once the details of the certificate have been recorded in the Single Central Record, the certificate will be returned to the applicant and no copies will be retained.

## i.7 Probationary / settling in periods.

The precise nature and expectations of probationary / settling in periods will vary from role to role as described in the role description, however, they are intended to be supportive of the volunteer / employee and to provide a framework that provides accountability to both the individual and the organisation. Probationary periods will not be used for punitive purposes.

- 1.a All staff and volunteers working with children and vulnerable adults will be subject to a probationary period.
- 1.b Prior to commencement of the role, a clear statement of the criteria for successful completion of the probationary period will be provided.
- 1.c Regular support, guidance and review will be provided throughout the probationary period and the outcome (passed, extended, failed) will be communicated to the employee or volunteer prior to the end of the probationary period and records will be retained of all discussions.

## i.8 Ongoing support and supervision

- 8.a All staff and volunteers who have unsupervised access to children, young people and vulnerable adults will receive proportionate supervision and pastoral care. Supervision will include both personal wellbeing and performance management. For volunteers, this will be managed by the heads of the volunteer teams.
- 8.b Where DBS checks are required, these will be updated at least every three years.

## i.9 Training

- a All staff and volunteers in roles that involve regulated activity or those who manage such staff will be required to attend regular safeguarding training. It is the responsibility of the DSL to arrange appropriate training.
- b Trustees will receive initial training. While there is no legal requirement for formal update training, the trustees will ensure that they are competent in their roles and that their knowledge of compliance with legislation and Charity Commission guidance is up to date.
- c Church leaders will refresh their training every three years.
- d Volunteers and staff involved in working with children, young people, or adults at risk of abuse are required to update their training at least every three years.
- e The Designated Safeguarding Lead and the Deputy DSL are required to attend formal update training at least every two years.
- f All staff and volunteers who have unsupervised access to children, young people and vulnerable adults will undergo some informal update activity annually.

- g Training should include themes on domestic abuse and trauma and the impact on victims including children.
- h A training log will be maintained by the DSL / Deputy DSL.

## i.10 Ensuring a safe and healthy environment

CCH recognises that there are many factors that impact on and contribute to the safety of the environment for everyone; some of these being procedural and others cultural. Here we describe only the procedural aspects.

### a Health and Safety

The officers aim to ensure that the health and safety of everyone who enters our church community is protected by:

- a.i Regularly reviewing our health and safety policy to maximise effectiveness and ensure ongoing legal compliance.
- a.ii Maintaining and implementing proportionate Risk Assessments for both the premises and the activities of the church.
- a.iii Maintenance and analysis of Accident and Incident Reports on receipt to ensure appropriate lessons are learned and timely responses are implemented.
- a.iv Ensuring that adequate First Aid cover is available, and that only qualified First Aiders administer First Aid, except in emergency situations when instructed to do so by Emergency Services.
- a.v Ensuring that appropriate safety equipment such as First Aid kits, Fire Extinguishers etc are available and maintained on an ongoing basis.
- a.vi Key Health and Safety information will be prominent and best practice will be promoted through announcements, effective signage etc.

### 10.b Awareness raising

Christ Church Huntingdon recognises that any member of our church community could discover or receive a disclosure of abuse, and therefore all members need a basic awareness and competence, regardless of whether they engage directly in ministry to children, young people, or vulnerable adults. We will raise awareness by ensuring that:

- b.i Information about our safeguarding policy, procedures and codes of conduct are publicly available and promoted by our leaders.
- b.ii Details of our safeguarding team are prominently displayed.
- b.iii We set clear expectations of conduct and that clear processes for identifying, challenging, investigating, and dealing with inappropriate conduct are implemented.
- b.iv We implement and promote clear and transparent processes for the raising of safeguarding concerns, supported by a culture that encourages and welcomes these as opportunities to learn and improve.

## 10.c Ministry to children and / or young people

When engaging in ministry to children and / or young people we will:

- a.i Ensure that registers of children attending, and leaders present are maintained.
- a.ii Ensure that those involved in such ministries have been appointed in accordance with our Safe Recruitment procedures.
- a.iii Ensure that consent is obtained for their attendance at the group and that contact details and information about any additional or specific needs are recorded.
- a.iv Ensure that child: adult ratios are maintained in line with the following (Note: these ratios are a minimum and the number of adults can be increased where needed for safety and/or comfort):
  - 0 - 4 years - one adult to five children
  - 4 - 11 years - one adult to ten children
  - 11 - 18 years - one adult to twelve children
- a.v Ensure that appropriate accident / incident reporting is in place and that any accidents or incidents are reported to parents / carers in a timely manner.
- a.vi Ensure that appropriate order and discipline are maintained.
- a.vii Ensure that children are encouraged and empowered to raise any concerns that they may have with leaders or their parents as appropriate.

## 10.d All age group meetings

When children or young people are present at meetings that are primarily aimed at adults and childcare is not provided and their parents are present

- i During these times, children remain the responsibility of their parents who are responsible for their safety and care.
- ii Any concerns or support needs identified will be recorded and reported to the DSL in the usual way.

When young people are present at meetings that are primarily aimed at adults and participating in that meeting in their own right:

- iii Although there are not specific procedures for such meetings, the normal principles of safeguarding will apply.
- iv If the young person is not believed to be competent to consent to attendance, consent will be sought from their parents / carers.
- v If the young person is believed to be competent to consent to attendance, they will be encouraged to be open and transparent with their parents / carers and consent will be sought for the church to contact the parents and establish open communication and transparency.
- vi Leaders of the church or of the meeting in question will be vigilant to ensure that the young person is adequately protected.
- vii Any concerns or support needs identified will be recorded and reported to the DSL in the usual way.

## 10.e Ministry to Adults at Risk of Abuse or Adults with care and support needs

- a.i If the individual is not believed to be fully competent to consent to attendance, consent will be sought from their carers where possible, however their views should be taken into account and shared with the responsible adult/carer.
- a.ii If the individual is believed to be competent to consent to attendance, they will be encouraged to be open and transparent with their carers, and consent will be sought for the church to contact them with a view to establishing open communication and transparency.
- a.iii Leaders of the church or of the meeting in question will be vigilant to ensure that the individual is adequately protected.
- a.iv Any concerns or support needs identified will be recorded and reported to the DSL in the usual way.

## 10.f General provisions

- f.i The church will ensure that information relating to safeguarding, including contact details and other relevant information is prominently displayed in the building and online.
- f.ii Leaders will promote the need for every member to be vigilant to safeguarding concerns through the processes, teaching, and culture of the church and by personal example.

## i.11 Responding to safeguarding concerns or disclosures

### i.a Managing immediate risk

- i Upon identification of a concern or receipt of a disclosure, the worker involved should make an assessment as to whether any immediate action is necessary to protect the individual.
- ii Staff and volunteers who have unsupervised access to children, young people and vulnerable adults will be trained to respond appropriately to a disclosure and will be taught how to record and communicate any such disclosure to the DSL.
- iii The worker may seek advice from the team leader, an Elder or from the DSL/deputy, however, the seeking of advice should not unnecessarily delay or prevent the protective action or place the individual at risk of further or increased harm.
- iv In such urgent situations and if the DSL cannot be immediately contacted, the worker should contact either the police on 999 or Social Care to obtain support. Under such circumstances, the DSL should be notified at the earliest possible opportunity.

### i.b Reporting concerns to the Designated Safeguarding Lead

- b.i Once it has been established that the individual is not, or is no longer in imminent danger, the concern will be reported to the DSL using the Concerns Reporting Form ([see appendix 4b](#)).
- b.ii The concerns will be discussed with the DSL at the earliest opportunity, to ensure clarity of understanding.
- b.iii In the event where the DSL is absent for an extended period, another suitable person (e.g. a deputy) should be appointed as a temporary stand-in.

- b.iv In the event that it is not possible or suitable to report concerns to the DSL or a stand-in, the concern should be reported to the Safeguarding Trustee of the Anglican Mission in England (AMiE).

### i.c Managing the risks: the role of the DSL

- c.i In discussion with the worker reporting the concern, the DSL will review any immediate actions taken and will be responsible for follow-up or further action that may be required.
- c.ii Upon receipt of the completed form, the DSL will establish a “Confidential File” in relation to the person at risk.
- c.iii A Chronology ([See appendix 4d](#)) will be established and inserted at the front of the confidential file.
- c.iv The confidential file will be updated with any further discussions or actions, including any advice sought or referrals made and updating will continue on an ongoing basis.
- c.v The DSL will confirm to the person raising the concern that the matter has been actioned. The DSL will not provide any unnecessary information. Information is only shared on a “need to know” basis.
- c.vi Where the concern meets the statutory threshold, the DSL will notify the parent or carer of the individual concerned (or the individual themselves if they are a competent adult) that a referral is being made to Social Care.

Information will not be shared with the parent / carer in situations where:

- To do so would place a child at increased risk of harm or abuse.
  - To do so would place an adult at increased risk of harm or abuse.
- c.vii The referral will be made to the appropriate Social Care service ([See appendix 2 for contact details](#)).
- c.viii Where the risk is not an immediate risk, if the referral has not been acknowledged within 2 working days, the DSL will follow up with Social Care (or other agencies as required).
- c.ix The DSL will work with the Local Authority and other partners on behalf of the church to ensure that we fully participate in the safeguarding process.
- c.x All conversations, correspondence, and documentation etc will be placed into the confidential file and the “Record of action” and Chronology will be maintained on an ongoing basis.
- c.xi Confidential files will be stored in a secure folder, only accessible to the DSL, the Deputy DSL and the Safeguarding Trustee on a password protected cloud-based drive.
- c.xii The DSL / Deputy DSL / Safeguarding Trustee will share information as necessary with other individuals in the church to facilitate effective safeguarding.

## i.12 Allegations against or concerns about staff and volunteers

Christ Church Huntingdon will always take allegations against our staff or volunteers seriously; ensuring that they are investigated proportionately, via a transparent process that expedites the matter in a timely manner; recognising both our responsibility to keep vulnerable people safe, and our responsibility to support the person accused throughout the process.

- 12.a Allegations against staff or volunteers within the church should be reported to the Designated Safeguarding Lead, [safeguarding-cch@outlook.com](mailto:safeguarding-cch@outlook.com).

- 12.b If the allegation is against the safeguarding trustee or DSL, it should be reported to one of the other Elders.
- 12.c Full details of the allegation will be recorded.
- 12.d The trustees will nominate an investigating officer (on a case-by-case basis) from amongst their number, who will assess whether any immediate action is required to ensure the safety of everyone involved.
- 12.e Dependent upon circumstances and the immediate action required, notifying the individual that an allegation has been received may be unavoidable. The individual may be asked to refrain from certain duties.
- 12.f If so, care will be taken not to compromise the gathering of evidence.
- 12.g If it is necessary to notify the individual at this stage, details of the allegation will not be divulged until it is safe to do so and will not compromise any evidence-gathering or the wellbeing of any victims.
- 12.h Support must be offered to the subject of the allegation as well as any potential victims.
- 12.i At the earliest opportunity, the LADO (Local Authority Designated Officer) should be consulted.
  - i.i If the LADO cannot be contacted due to working hours, initial advice can be sought from Christian Safeguarding Services (CSS)
- 12.j If the allegation meets the threshold for LADO, the church's investigating officer will work with LADO to ensure that the allegation is thoroughly investigated, and all issues raised are addressed.
- 12.k If the allegation does not meet the threshold for LADO, the investigating officer will consult with CSS, who will provide independent support and advice to ensure transparency.
- 12.l Thorough records of all aspects of the handling of the allegation will be retained throughout the process.
  - l.i These records will be held confidentially in a secure folder on a password protected, cloud-based drive.
- 12.m The investigating officer will seek and follow specialist advice throughout the process as required.

### **i.13 Management of ex-offenders or those who pose an actual or potential risk to others, particularly to vulnerable people.**

As a church, we believe in the power of God to forgive and transform individuals. We also believe that every individual is valuable to God and should be protected; particularly those who are vulnerable.

- 13.a Where the church becomes aware that an individual is an ex-offender or that they may pose a risk to vulnerable people, the Elders or the DSL will enter into an open and frank discourse with that individual to understand the context and the risks.
- 13.b With the consent of the individual (if required), the church will seek to work in partnership with probation services or other agencies supporting the individual where this is appropriate.
- 13.c The leaders will assess the risk posed by the individual and a formal risk assessment will be formulated.
- 13.d Where there is considered to be a risk, a formal agreement with the individual will be drawn up and will be signed by an Elder, the DSL and the individual. The agreement will include:
  - d.i The church's commitments to the individual who poses the risk.
  - d.ii The steps the church will take to support the individual while simultaneously protecting everyone in the church community.
  - d.iii The restrictions and conditions that will be applied to the individual's involvement in the life of the church.
  - d.iv The consequences of failure to comply with the agreement.
  - d.v When and how the risk assessment and formal contract will be reviewed.

- 13.e All decisions and agreements will be formally recorded and securely stored.
- 13.f The individual who poses a risk will be fully involved in the planning process and information will only be shared with church members by the leaders either:
  - f.i With the agreement of the individual who poses a risk.
  - f.ii Where information needs to be shared to protect vulnerable people and then, only the minimum information that is essential will be shared and the individual will be informed in advance what information will be shared.
- 13.g If the individual chooses to leave the church to avoid the management of the risk and starts to attend elsewhere, the church leaders will take specialist advice as to whether this information should be passed on.
  - g.i All records of risk assessments and formal agreements will be stored in a secure folder on a password protected, cloud-based drive.

## i.14 Complaints and concerns

- a CCH recognises the importance of listening to all members of our church community, including those who find it hard to make their voices heard and those who hold contrary views to the church leadership. The trustees will seek the views of all who engage with the church in a variety of ways; however, we also recognise the importance of responding well when concerns, criticisms or complaints are raised with us.
- b Any complaints that have a safeguarding element or implication will be discussed with the Designated Safeguarding Lead and/or the Safeguarding Trustee (this may be the same person) who will ensure that the safeguarding aspects are identified and managed in a proportionate way.
